- › Dimensions (W x H x D): 320 x 180 x 145 mm
- › Weight: 2.3 kg

*1 Available with firmware update *2 Service availability depends on region *3 Available for free download from the App Store/the Google Play

USAGE EXAMPLES

MRX-3(B) CUP

FlareConnect™ Wireless Multi-room Audio

FlareConnect™ shares audio from network and external audio input sources between compatible components. Enjoy effortless multi-room playback of LP records, CDs, network music services, and more with supported components and speaker systems. Music selection, speaker grouping, and playback management across the home are built into the Pioneer Remote App**.

* Sharing audio from external inputs is enabled with a future firmware update. External audio inputs supporting FlareConnect may differ depending on model. Please consult individual product specification for more information.

** Download free from the App Store or Google Play.

Chromecast built-in

The MRX-3 has Chromecast built-in, so you can use your mobile device to stream music, radio, or podcasts to your speaker. You can control the audio from anywhere in the house using Chromecast-enabled apps running on your personal device—iPhone, iPad, Android phone and tablet, Mac and Windows laptop, and Chromebook.

* Chromecast built-in will be available with firmware update.

DTS Play-Fi®

DTS Play-Fi* wirelessly streams any audio content from any compatible mobile device to the MRX-3 and DTS Play-Fi compatible audio systems, creating a multi-room system in your home. You can stream different sources to different speakers at the same time from the Pioneer Music Control App.

* Available with firmware update.

Internet Radio & Online Music

Enjoy a limitless flow of music, sports, talk, and news entertainment from internet radio stations and online music services, including Spotify®, TuneIn, TIDAL, and Deezer.

Two Large Woofers

The MRX-3 has two large woofers, 77 mm each, that delivers dynamic deep bass from the compact speaker.

Easy Wi-Fi Setup

Setup can't be easier! Just connect your device via the AUX terminal for the initial settings.

Built-in Dual Band Wi-Fi

Enjoy network features such as audio streaming via wireless LAN connection. The built-in Wi-Fi is dual band, supporting both 5 GHz and 2.4 GHz frequency channels. By using the 5 GHz band, you can enjoy steady and uninterrupted streaming of audio files.

Built-in Bluetooth® Wireless Technology

With Bluetooth® Wireless Technology (ver. 4.1+LE), you can easily stream songs from compatible devices. The MRX-3 features A2DP/AVRCP profiles, with support for SBC/AAC codecs.

Stereo Mode By FlareConnect Technology

With Stereo Mode, two MRX-3 speakers can be combined to be used as the left and right speakers.

* Available with firmware update

Pioneer Remote App Ready

Enjoy smooth operation using your beloved device. With the free Pioneer Remote app, you can use your iPad/iPhone/iPod touch or Android device such as a smartphone for operating the wireless speaker, or play back tunes stored on your smartphone. You can also select internet radio stations, and playback songs from your media server.

* The speaker needs to be connected to a home LAN network in a wireless LAN environment.
